Summer Camp makes a HUGE, positive impact on our kids!

- **Affordable:** Having a no-cost, on-site camp for their children allows parents in the LifeMoves program to save more money which accelerates their ability to transition back into stable housing and self-sufficiency
- **New Experiences:** Children gain the opportunity to visit venues for Education, Arts, Sports and Music! They visit new places, participate in fun activities, and gain educational and other life experiences to which they would otherwise not have access
- **School Preparation:** The summer camp will provide “first-ever” social and educational activities focusing on STEM & STEAM. They are prepared to resume school the following academic year
- **Volunteer Support:** High school and college-age volunteers serve as Camp Counselors and Camp Directors, fostering a generation of students committed to public service

Volunteer Benefits

- **Philanthropic Leadership:** This type of high-impact partnership increases visibility for socially responsible leaders in philanthropic giving

- **Social Impact:** Help the summer camp program create a community in the Bay Area with the spirit of giving back to and assisting underprivileged children. Participation and investment of time & talent inspires others to join in with their support!
- **Volunteerism:** There are many opportunities for adults and youth during the 7 weeks of camp. Volunteer for some or all of the Camp; Conduct “drives” for most-needed items; Help plan and execute the End of Summer Field Day Celebration, which will include all 200+ children (campers) as well as staff and volunteers

About Summer Camp

- **Who participates?** 200+ children and youth at LifeMoves, ages 5 – 14
- **Dates** June 19 – August 4, 2017
- **Locations** 5 family shelters: San Jose, Palo Alto, Menlo Park, San Mateo and Daly City
- “End of Summer Celebration” at sports venue still to be determined

Camp Activities

Weekly activities focus on different themes, such as:

- Games & Sports
- Arts, Music, & Dance
- Nature & Outdoor Activities
- Engaging Educational Opportunities (e.g. NASA)
- “End of Summer Celebration” at sports venue still to be determined

Campers also take field trips to local attractions, including museums, sporting events, theatrical performances, science centers and more!

The Benefits of Summer Camp

- When school is out of session, without a special program, homeless children would have no structured activities during the summer
- LifeMoves families do not have the resources to pay for summer childcare expenses, or for traditional summer camps which typically includes enrollment costs, transportation, and even the price of bathing suits and other sporting equipment that make participation unfeasible
