From Our CEO

“This past year, we served more than 10,000 of our neighbors in need, providing over 266,000 nights of safe shelter.”

Bruce Ives, CEO

The LifeMoves mission is to help homeless families and individuals rapidly return to stable housing and achieve self-sufficiency. With the implementation of new shelters, programs, and services throughout the past year, LifeMoves continues to expand our reach and strengthen our ability to help the most vulnerable members of our community.

We could not accomplish this challenging task without you – our public and private partners. Your contributions of time, expertise, in-kind donations, and financial support continue to enable and motivate us to help our clients achieve great outcomes.

This past year, we served more than 10,000 of our neighbors in need, providing over 266,000 nights of safe shelter. Our programs work: Last year, 89% of the families and 73% of the individuals who completed our program secured stable housing and achieved self-sufficiency. Working together, we can solve homelessness. Your support makes these results possible.

Warm regards,

Bruce Ives, CEO

**Rating**

Four Star Charity

Our service model combines clean, modern housing with supportive services that promote dignity and help our clients achieve autonomy.
LifeMoves serves more than 10,000 people annually, providing over 266,000 nights of shelter. Every night, nearly half of our beds are filled with children. Those children, their parents, and all of our single adult clients have access to LifeMoves services and programs. Through HousingMoves, 89% of families and 73% of individuals who complete our programs exit to safe, stable housing.

LifeMoves teaches our clients how to save and manage their money. FinancialMoves helps homeless adults make informed financial decisions that enable them to overcome homelessness and regain self-sufficiency. Clients attend group workshops and individual coaching sessions and learn key skills including budgeting, building credit, credit repair, how to save, and wise borrowing strategies.
Many LifeMoves clients have experienced job loss and/or underemployment, leaving them unable to afford the Bay Area’s rental market. CareerMoves provides employment search support, interview preparation coaching, and résumé development assistance.

“LifeMoves gave me a base. Staying here allowed me enough time to reestablish what I want to do with my life.”

– David
“LifeMoves helped us tremendously from day one. Things immediately started to turn up for us. Everyone welcomed us warmly, and it felt like a huge weight lifted off my chest. I hope I can help people someday in the way that LifeMoves helped me.”

– Tim

**BehavioralMoves**

Through our BehavioralMoves program, clients access addiction and recovery support services, free and on-site mental health assessments, children’s therapy sessions, and one-on-one and group therapy supervised by a licensed psychologist. LifeMoves recognizes that these behavioral health services are essential to help our clients address trauma and stabilize their lives.

**HealthMoves**

LifeMoves partners with numerous food providers to insure that our clients receive fresh produce and daily nutritious meals. To further support healthy habits, our HealthMoves program provides clients with workshops on wellness and nutrition, parenting, and smoking cessation, as well as support from licensed vocational nurses and medical respite care.
Creating Safe, Healthy Environments

With nearly half of our beds filled with children, we initiated LearningMoves to provide every child with fun, educational, and life-skills-centered workshops. This includes homework assistance, tutoring, and STEAM (Science, Technology, Engineering, Arts, and Math) instruction, as well as our exciting Summer Adventure Camp. All children at LifeMoves experience Summer Camp, with engaging activities like arts and crafts, cooking, horseback riding, and field trips to exciting Bay Area sights.
