Annual Report 2016–2017
The past year was another very strong year for LifeMoves. We’ve continued to build on our financial stability and have the strongest balance sheet in years. As a result, we’ve continued strengthening and expanding our programs and services for an extremely vulnerable segment of our community.

Our mission is to help homeless families and individuals rapidly return to stable housing and achieve self-sufficiency. We simply couldn’t do what we do without you—our public and private partners. Your generous contributions of time, talent, expertise, in-kind donations, and financial support continue to inspire us to achieve even better outcomes for our homeless neighbors.

I’m pleased to share this annual report highlighting some of our successes in these efforts over the last year:

• LifeMoves served over 10,000 people—highlighting the increasing need for our services and programs. About half of our clients stayed in our shelters: Of those, 93% of families and 72% of individuals who completed our program successfully exited to stable housing and are on their way to long-term self-sufficiency.

• LifeMoves increased our 700 shelter beds last year to serve more single adults—a result of our strong public and private partnerships within Santa Clara and San Mateo Counties. We have plans to expand even further in the coming months and years.

• Every night, half of our beds were, and continue to be, filled with children. In addition to all the basic necessities LifeMoves provides, all those children, their parents, and all our single adult clients have access to cutting-edge, evidence-based behavioral health programs.

• We launched innovative new technology solutions to help us understand the efficacy of our multiple program components and to stay in contact with our clients after they leave our shelters. We are eager to share what we learn as we analyze the data and implement shifts in how we do what we do.

On behalf of all those we exist to serve, please accept my sincere appreciation for all you’ve done to help make our work possible. With your ongoing support, we will continue to innovate and provide solutions to homelessness for our clients and our community in the coming years.

Warm regards,

Bruce Ives, CEO

WE ARE VERY GRATEFUL THAT WHEN WE REACHED OUT, LifeMoves WAS THERE TO GIVE US THE HELPING HAND WE NEEDED.

—Jaritza

My name is Jaritza. I am a twenty-year-old wife and mother to my two-year-old daughter with special needs.

Our family became homeless when my husband lost his job and his drug addiction worsened. The three of us had no option but to live in a car. I encouraged my husband to start a drug treatment program and he followed through and overcame his addiction.

I knew living in a car was not something we could do for much longer. We needed to reach out for help. A friend encouraged me to call the 2-1-1 hotline, but I hesitated. Finally, the fear of having my child taken spurred me to make the call.

Then, everything changed quickly. We were referred to LifeMoves and were offered an apartment at LifeMoves | Redwood Family House. There, we had a two-bedroom apartment and quickly realized we were in a safe place. My husband saw a LifeMoves therapist weekly. Soon, he found a full-time job and we moved into an apartment of our own in Santa Clara.

We stayed together throughout this ordeal and are stronger now. We are very grateful that, when we reached out for help, LifeMoves was there to give us the helping hand we needed.

YOUR GENEROSITY BRINGS HOPE TO THE 10,000 PEOPLE IN OUR COMMUNITY LifeMoves SERVES EACH YEAR.
I remember the first time I learned there was a homeless shelter just a little more than a mile from my home in an affluent Silicon Valley neighborhood. I was stunned. Yet there it was, First Step for Families, nestled in a private enclave in downtown San Mateo. Proud. Beautiful. Resilient. Families drawing strength from one another, tireless caseworkers tackling tough issues with passion, and a stream of volunteers striving to help our neighbors get back on track. No one at this well-kept apartment complex apologized for being homeless. Instead, the people I encountered were inspiring—motivated to confront an array of issues head-on.

Breaking the cycle of homelessness is overwhelming—yet LifeMoves finds a way to accomplish its mission with dignity and grace. And that grace is what attracted our nonprofit—Graybird Foundation—to join them in their bold move. Together, with the agency BrewLife, we worked for more than a year to rebrand their 17 shelters with a life-changing name that embraces and inspires their clients and affirms their individual and collective accomplishments.

Graybird Foundation and I thank you for trusting us with this challenge; we will be forever grateful to you for allowing us to be part of your life and your move.
